Dr. Thomas K. Latimer
Staff Director, Permanent Select
Committee on Intelligence
U.S. House of Representatives
Washington, D. C. 20515

Dear Dr. Latimer:

In response to the letter of 16 February 1988 from Representative Stokes, the Director of Central Intelligence has approved dissemination of the Unauthorized Disclosure Summary on a regular basis to the Chairman of the House Permanent Select Committee on Intelligence. The first copy will be sent to Chairman Stokes in the next week or so. [REDACTED]

25X1

The Unauthorized Disclosure Summary is an extremely sensitive document that confirms the accuracy of unauthorized disclosures of classified intelligence information appearing in the media. Normally published monthly, it is disseminated to selected Cabinet officers, key agency heads, and a limited number of intelligence principals on an EYES ONLY basis. It is intended to sensitize readers to the magnitude of the leak problem. It may not be reproduced, and readership is controlled on a strict need-to-know basis. [REDACTED]

25X1

The Intelligence Community Staff values and appreciates efforts by the Congress to combat the damage caused to US national security interests by unauthorized disclosures. Please advise if I can be of further assistance.

Sincerely yours,

Edward J. Heinz
